Good Day,

Today over two million people are living with amputation in the United States. Massachusetts alone has over 10,000 amputees and the number is increasing. There are over 500 amputations performed each day, and this number does not include our wounded military. Currently, 28 million people are at risk for amputation.

We are the New England Amputee Association [NEAA], a non-profit 501c[3] organization, that relies on the generosity of individuals and businesses in order to continue offering assistance and support to those individuals living with amputation, their families, and caregivers. The NEAA was founded in 2004 and has steadily grown to over 100 members. Today we are receiving calls from amputees for information and assistance from all over New England. We offer services including but not limited to peer counseling, providing educational materials, and scheduling guest speakers with a variety of topics at our numerous meeting locations all of which to support the amputee community.

To continue our outreach programs and expansion, and the support of amputees and their families, we are planning our third annual comedy night fundraiser on Friday Sept. 21, 2012. The event will be at The Hudson Portuguese Club, 13 Port St., Hudson MA and will be featuring four well known "Las Vegas style" comics.

If you are interested in having your business support our benefit—and we hope you are—please review the order form below that lists prices and other information. We will be publicizing the event widely and hope we can include your business name as a supporter in our "Comedy for a Cause" program.

Thank you in advance for your kind consideration and willingness to support this worthy cause that will make a difference for the amputee and their families with the funds we raise. Your generosity will reflect your goodwill in the community.

For complete details visit our website at www.NewEnglandAmputeeAssociation.com

Warmest regards,
New England Amputee Association Board of Directors

Here are some possible sources for ads:

- Business cards (These can be enlarged to any size, or count as a 1/4 page ad as is).
- Camera-ready art.
- Relatives or friends can buy ads to congratulate NEAA for their dedication in helping others.
- Sketch, from which our graphics person can design an ad.
(Creating from a sketch will take longer so please submit your sketch no later than September 1st to allow time for us to create your ad and have you approve the design.)
